

INSTRUCTIONS FOR THE RENEWAL OF REGISTRATION WITH THE REGISTRY OF SERVICE PROVIDERS OF THE CYPRUS INVESTMENT PROGRAMME

According to relevant Decision of the Council of Ministers, the Committee of Supervision and Control has been established, with the main responsibility to create the Registry of Service Providers (Registry) of the Cyprus Investment Programme and to observe the implementation of the Code of Conduct by the Service Providers.

The members of the Registry are obliged to renew their registration every year by submitting through the Committee's website the Code of Conduct in force, duly signed.

Additionally, the members of the Registry should have a website, identifying their status and contact details, so that a prospective investor can be fully informed. Any promotional material of the Programme should comply with the promotion/advertising guidelines presented in the Annex of the Code of Conduct.

As a result, those members who do not have or mistakenly have not declared a website at the time of registration in the Registry should develop one and inform the Committee in writing, by providing the address of the website, by email, to Ms. Marianna Georgoulia, (mgeorgoulia@mof.gov.cy) at the time of their registration renewal.

The Committee of Supervision and Control reserves the right to request additional certified copies of documents pertaining to each natural person and each company.

The renewal will be reviewed by the Committee of Supervision and Control and the applicant will be informed in writing whether the request for renewal has been approved and included in the Registry. Any non-renewal decision will be adequately justified.
